

Hello, Peter Ewart Middle School parents, guardians and staff.

My name is Wendy Sjodin, and I will be your lunch coordinator for the 2023/2024 school year. At PEMS, our MunchaLunch program gives parents the opportunity, once or twice a month, to purchase lunch from an outside vendor and have it delivered directly to their student! MunchaLunch events are also a fundraiser for our PAC (Parent Advisory Council), which uses the proceeds to fund initiatives which benefit the entire school (such as a new playground!)

I am pleased to announce that our dates and menus for the entire year have been confirmed and will be available to order from starting Sept. 16. You may order from menus one at a time throughout the school year, or for the entire year in advance; it's entirely up to you! (Please just make sure you have ordered prior to each lunch event's cut-off date, to avoid disappointment).

Never used this program before? Register here:

<https://munchalunch.com/schools/peterewart>

Returning parent/guardian? Log-in to your previous account here:

<https://munchalunch.com/login>

(Some accounts still have credits remaining from previous years. Accounts with zero activity for more than two years have been deleted.)

Students using MunchaLunch at multiple schools?

Email support@munchalunch.com and ask to have your accounts merged before ordering to make managing your lunches easier.

There is also a division 000 for any school staff who would like to have lunches delivered to the office for them.

Please also consider, if you can, donating to our donate-a-lunch fund to help purchase fun lunches for students who would not otherwise have them ordered, or to our general PAC initiative fund.

I could also use some more parent volunteers to help with lunch distribution; please let me know if you'd like to help with this valuable program:
